I have known Jack Ruby for about 12 years. I believe his true name is Jack Rubinsky. I started to work for Jack in Oct. of 1961 as a drummer in the Carousel Club. I last saw Jack about 2:00 AM Friday morning. About 5:00 PM Friday I talked to Jack by phone + he told me that the Club would be closed Friday night. I asked him when he would be open again + he said it may be as late as Monday. I told him what a terrible tragic thing that had happened to the President. He said that this was the most horrible thing that had ever happened + began crying. ~~I was~~ I was amazed at how hard he was taking the death of the President + I told my girl friend, Joan McChene that I couldn't understand Jack being so torn up about it. Jack said the man must have been a nut or a louse + said "How could any man do such a thing". Then he hung up. ]  
I tried to call Jack again Saturday but didn't get an answer. I haven't talked to him or saw him since. Today about 11:30 AM I was home in bed asleep + the phone rang + woke me up. My father R.L.
